This is a table of correspondences of the *mūlakārikās* of the first *kāṇḍa* of Bhartr̥hari's *Vākyapadīya*, among the following editions:

- [Rau] Wilhelm Rau, ed. *Bhartr̥haris Vākyapadīya. Die Mūlakārikās nach den Handschriften herausgegeben und mit einem Pāda-index versehen*. Abhandlungen für die Kunde des Morgenlandes 42.4. Wiesbaden: Franz Steiner, 1977.
- [Iyer] K. A. Subramania Iyer, ed. *Vākyapadīya of Bhartr̥hari with the Vṛtti and the Paddhati of Vṛṣabhadeva. Kāṇḍa I*. Deccan College Monograph Series 2. Poona: Deccan College, Postgraduate and Research Institute, 1966.
- [Lahore] Madeleine Biarreau, trans. *Bhartr̥hari. Vākyapadīya Brahmakāṇḍa. Avec la Vṛtti de Harivṛṣabha. Texte reproduit de l'édition de Lahore*. Publications de l'Institut de civilisation indienne 24. Paris: Éditions E. De Boccard, 1964.

When a *kārikā* does not appear in the *mūla* text but rather appears in the *Vṛtti*, the *kārikā* under which it occurs is prefixed with the term *ad*. For instance, “*ad* 44” means that the *kārikā* appears in the *Vṛtti* on *kārikā* 44.

Kārikā numbers for Iyer's edition are those he introduced while editing the text. These are the numbers that, in the volume, are not surrounded with brackets. By contrast, the *kārikā* numbers he used in his translation—which was published one year before his edition—appear within brackets in the volume when they differ from the numbers he introduced in his edition. The *kārikā* numbers of his translation are the same as those of the Lahore edition; they are thus omitted from the correspondences table.
